Salon opened as building block for family business

A new hair and tanning salon, planned as a family business, recently opened in downtown Grayling and is adding new services.

Camara's Hair and Tanning, located at 208 East Michigan Ave., opened in the former Grayling Pharmacy Building.

The business first started with tanning services, featuring four 12-minute standup high-pressure bronze tanning booths.

Catherine Peterson, the owner of Camara's Hair and Tanning, said she studied the Grayling market for tanning, and discovered that people want the quick service. The salon has 200 clients. **Page 9**

Defense the difference in 9-5 district baseball loss

Grayling High School's 2010 varsity baseball team - a group that set a new school record for wins with 22 - ended its season with a 9-5 loss vs. a league rival - the Kalkaska Blazers, champions of the Lake Michigan Conference this year - in a pre-district game played at Elk Rapids on Tuesday night.

Kalkaska took a 1-0 lead in the top of the first inning with an RBI-double.

Grayling scored two runs in the bottom of the second inning to lead 2-1. The Vikings scored on a successful suicide squeeze bunt by Jake Heisel and an RBI-single by Zane Tobin. **Page 11**

Cheboygan too much for GHS in district title game

After advancing to the District 48-3 championship game with victories over Kalkaska and Tawas, the GHS varsity girls soccer squad ended its 2010 season with a loss to the Cheboygan Chiefs in the district finals on Saturday.

On Tuesday, the Vikings won 5-1 in a round one district game at Kalkaska.

On Saturday, in the district championship game - a contest played at Elk Rapids, Grayling held off Cheboygan for most of the first half, but the Chiefs scored three goals in a span of six minutes and went on to win 6-0. **Page 12**

The Hanson Hills Recreation Area will host its inaugural disc golf tournament on the Grayling Rotary Professional Disc Golf Association (PDGA) Disc Golf Course this weekend.

The Course Record Challenge Tournament, which is open to PDGA professionals and amateurs, will begin at 9 a.m. on Saturday, June 12. Registration for the tournament begins at 8:30 a.m.

Grayling Rotary Member Andy Moore, who helped spearhead the project to develop the disc golf course, said PDGA

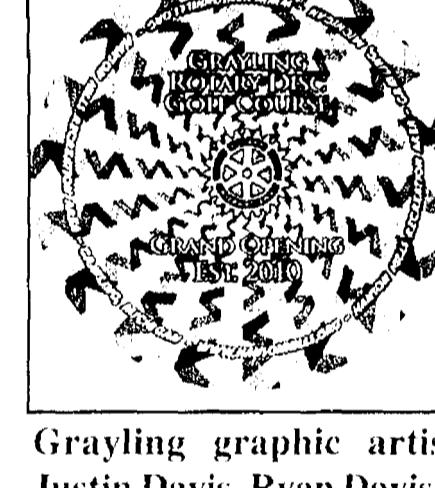

players have scored the pars for the 19-hole course. The object of the first tournament is to set a course record, which disc golf enthusiasts will aim to break in the future.

"There are people coming from all over," Moore said of the tournament.

Disc golf pro players will tee off from the advanced tees, while amateurs will tee off from the intermediate, shorter tees. Teams will consist of three to four players.

Former city manager faces campaign finance violation

by Dan Sanderson

Staff Writer

The day after Grayling City Manager David A. Thayer was terminated from his position, police arrested him for a third alleged criminal charge.

The stakes are getting higher for Thayer, who was charged for a crime for a third time last week.

Thayer was arraigned on a charge of campaign finance public-body contributions on Wednesday, June 2, in Crawford County District Court.

Thayer, under the specific language of the state law, is accused of being an employee of a public body and did knowingly use computer hardware or software of that public body to make a contribution, expenditure or provided volunteer personal service for the purposes of influencing the election or nomination of a candidate or the qualification, passage or defeat of a ballot question.

Grayling attorney David Sabin, who is acting as a special prosecutor for the case, said Thayer is being accused of developing campaign literature for former Grayling City Council Member Tom Wellman. City time, resources and a city computer were used to help Wellman, who failed in his bid for reelection to the city council in November.

Sabin said the information was found on a city computer. Grayling City Police Officer Tim Coe was the complaining witness for the charge, and Thayer was arrested on May 25. The alleged offense took place on Sept. 11, 2009.

Sabin said Wellman's computer was seized, and is being searched by a Crawford County Sheriff's Office employee to determine when and if Wellman received the information.

"This is when the sciences will take over and will show what happened and when it happened," Sabin said.

Thayer faces one year in jail and a \$1,000 fine, if convicted.

The Grayling City Council terminated its contract with Thayer on May 24. He was the city manager for three and a half years.

Thayer was given a 30-day notice of his termination. He is being paid during that time. Thayer will then be given payment for 180 days, roughly six months of his salary.

City water and sewer rates hiked

by Dan Sanderson

Staff Writer

City of Grayling residents will see an increase in their sewer and water bills starting this fall.

The Grayling City Council, at its May 24 meeting, approved water and sewer rate increases as part of the city's next fiscal year budget, which begins on July 1.

The increases include an 85-cent increase for water service, bringing the rate to \$2.40 per 1,000 gallons. The rate had not been increased in four years.

The water service fund was running at a deficit to operate and maintain the city service.

The sewer rate was increased by 15 cents, bringing the rate to \$3.90 per 1,000 gallons. The sewer fund was running close to a deficit, said Grayling Treasurer Terry McGregor.

McGregor, Grayling Department of Public Works Director Chad Beckett and Grayling City Clerk Michele Moshier recommend the rates be increased.

Grayling Mayor Karl Schreiner said that residents wouldn't see the rate increases until their quarterly bills are mailed in October. Schreiner, however, recommended the city council study the rates annually to avoid passing on a dollar increase for both water and sewer service funds in one shot.

"I don't like seeing the rates, especially in today's economy, jumping like that," he said.

Mercy Manor's theme for the month of May was horses in honor of the running of the Kentucky Derby. On May 20, Debbie Robinson brought her Appaloosa Gelding "BJ's Storms a Brewing," also known as "Rayn," to Mercy Manor for an education segment with the residents on caring for a horse. In addition to bringing her horse to visit, Robinson also decorated the entranceway at the manor with Rayn's ribbons, saddles, bridals, brushes and other items she uses to care for Rayn. The residents continue to talk about the horse and look forward to the next time he can visit. Above, resident Kay Morrill pets Rayn on his neck.

Disc Golf Association Disc Golf Course, will run from 10 a.m. to 4 p.m.

A limited supply of starter disc kits will be available for use, starter kits will be available for purchase and a limited edition collector's discs meant to commemorate the opening of the course will be available for purchase for \$15.

"People can play as many or as few holes as they want," Moore said.

PDGA Disc golfers will offer clinics to introduce the sport to the young and old alike. In addition, players can enter their score card into a raffle, which gives them opportunities to win discs, mini's, which are small discs used as disc golf markers, clothing and more.

"We want to invite the public out to throw a couple of discs and figure out what the sport is all about," said Justin Andre, the director of Hanson Hills.

Development of the disc golf course started out with two Grayling High School graduates Maverick Ginther and Ben Jones, who wanted to do something to honor their friends Ryan Davis and Josh Mastej, who died in a car accident in the fall of 2006.

The Grayling Rotary Club committed \$10,000 toward the project.

A sponsorship board was placed near the first tee pad for the disc golf course. Donation tubes were also placed along the course to help fund maintenance cost and future development of the course.

"I'm just thrilled we got it done," Moore said. "This is huge."

The course opened for

play in April, before the cement pads were placed on the course. The pads give players a steady surface to throw the discs.

Employees from Jack Millikin Inc. poured the four-foot by 12-foot cement pads and the smaller pads in their shop. They were then allowed to cure before being transported up the ski hills with a front-end loader.

"They were all preformed and ready to rock and roll," Moore said.

Grayling graphic artist Justin Davis Ryan Davis's older brother, designed the commemorative disc for official opening of the disc golf course. Davis said he aimed to design a disc that looked good flying through the air as well looking good by itself.

Davis said he is proud of

Ginther and Jones for starting the initiative to honor lost loved ones, and thankful that the Grayling Rotary was able to bring the project to a quick fruition.

Davis said Jones, Ginther, Mastej and his brother were just introduced to the sport before the car accident occurred.

"He probably played a

dozen times, but he was

really starting to enjoy it."

Ginther's brother, Shane Ginther, said he is pleased to have a disc golf course in the community to keep the youth fit and active.

"It's nice," he said. "It's convenient to have it here in Grayling instead of having to drive all the way to Kalkaska or Kirtland Community College to play."

Samples of Rip It Energy Fuel, which is the official energy drink for Detroit Pistons guard Rip Hamilton, will be served at the event.

Disc golf starter kits can be purchased at the Old Dam Party Store and the Bicycle Shop.

A \$20 registration fee is being charged for players going for the long tee record and intermediate-short tee record. A cash payout will be offered to the top three players in the tournament for the long-tee record as well as a \$50 bonus for establishing the course record. A \$20 bonus will be available to the player who establishes the intermediate-short tee record.

Volunteers help monitor health of Manistee River

Northern Michigan is a place people associate with fly-fishing, canoeing and clear and cold rivers.

Protecting rivers like the Manistee and AuSable takes dedicating local organizations, money and volunteers who generously give of their time.

On Saturday, a number of those volunteers came out to learn and share their knowledge as part of a Huron Pines-sponsored volunteer day. Organized into several teams, volunteers learned how aquatic insects help tell the story of just how healthy our rivers are. After some instruction, the teams visited several key locations along the upper Manistee River and collected the bugs. Coming back together as a group, the insects were identified and the information was compared with data that is part of a statewide river-monitoring program.

The efforts of highly

trained volunteers is essential to monitoring the health of our natural resources and without their work, it's much more difficult to identify trends impacting our rivers and wildlife, according to Huron Pines Project Manager Patrick Ertel.

The event included lunch, a river monitoring T-shirt, and the chance to meet other citizens concerned with protecting the Manistee River. The monitoring was part of an overall effort to protect the river, coordinated through a partnership with Huron Pines and the Upper Manistee River Restoration Committee.

One of the members of that group, Bob Thorsen, lives on the river and has been working to keep it healthy for years. His whole family is involved because they care about the river and its long-term health.

"Volunteer monitoring is essential to protecting Michigan's water and the

state does not have the necessary resources to monitor the river on its own," Thorsen said.

While Huron Pines pulled the monitoring program together and volunteers gave of their time, two supporters were responsible for helping make sure it was a success.

"The support of contributors like the Kalkaska Eagles Club and the Thorsen Family is really important to help us host special opportunities like this," Ertel said. "We try to do conservation projects on a regional scale, but it's our local supporters that really help us make a difference."

in one lump sum payment. He will also receive health and life insurance during that same period. Thayer's annual salary was \$72,000.

Thayer was placed on administrative leave on Feb. 11 after he was arrested for allegedly violating the state's Social Security Privacy Act 24 times. He is accused of giving Michigan Department of Treasury tax forms, which contained the Social Security numbers of other people, to former Grayling City Council Member Dee Maybury.

Thayer also faces a charge for public officers-making false statements

relating to finances. He was arrested on that charge on March 25.

Trials have been scheduled for August and October. Those charges are misdemeanors which call for serving 93-days in jail, if convicted.

Thayer asked District Court Magistrate Camarin Talirico for a jury trial on the latest charge. Talirico said Thayer would have to make that request to Chief 46th Circuit Court Judge Janet M. Allen, who will preside over the case.

Thayer, who has been outspoken following previous charges, had little to say last week. He said that is

due to the fact that he is no longer the city manager and considers himself to just be a citizen of the city.

"This has gone way passed the point of being ridiculous," Thayer said.

"There's that unfortunate impression that where there is smoke - there is fire," Thayer added. "I just got caught up in the mess of a political machine and that happens - especially in a small town."

Grayling Mayor Karl Schreiner directed Grayling Police Chief Doug Baum, who is serving as acting city manager, to place discussion for a city manager search on the city council's

Monday, June 28 agenda.

"We don't have to be in a rush," Schreiner said.

Free food program ready for summer

by Dan Sanderson
Staff Writer

While school is out for the summer for the Crawford AuSable School District (CASD), nutrition will be in during certain weeks of the season.

The school district is offering its Food That's in When School is Out summer food service program again this year.

Meals will be served Monday through Friday, June 14-25 in the AuSable Primary School Cafeteria.

Meals will continue to be served Monday through Friday, Aug. 16-20. Breakfast will be offered from 7:45 a.m. to 8:45 p.m. Lunch will be served from 10:45 a.m. to 12:45 p.m.

Lunches will be served in the B-Wing at the Grayling High School Monday through Friday, June 16-24, and Monday through Wednesday, June 28-30. A meal will also be served on Thursday, Sept. 2. The lunches are offered from 11:30 a.m. to noon.

Kim Schmidt, an administrative assistant in the administrative offices for CASD, said the meals are being served while the district's summer school is in session. But students 18 and under can come to the schools to take part in the

free meals.

Like the Power Panther, the mascot for the United States Department of Agriculture Food and Nutrition Service program says, students are encouraged to "Eat Smart, Play Hard."

"Any kid can come in and eat on the days that we're serving," Schmidt said.

The State of Michigan is reimbursing the school district for the cost of the food.

Dinner will be served Monday through Thursday, July 26-29, at the

Michelson Memorial United Methodist Church. The meals are being served in conjunction with the church's summer bible school.

Parents and children can check out the menus by going to the school district's website, www.casd.k12.net, departments, food service and menus.

For additional information, parents can contact the AuSable Primary Food Service program at 344-3671 or Schmidt at 344-3757.

Seven-way debate provides campaign fodder

WITH ONLY eight weeks remaining before Michigan voters must choose two candidates for governor from among the herd openly seeking the job, the five Republican and two Democratic candidates got together on the same stage, lined up alphabetically to ply their wares.

The site was the Grand Hotel at Mackinac Island at the annual Detroit Regional Chamber of Commerce economic conference.

What happened? According to most newspaper reports, not much of consequence. Candidate views were pretty much in line with expectations and past performances, but there was some action, of course, and some differences were sharp.

Two Republican candidates got into a verbal tiff. Atty. Gen. Mike Cox blamed Ann Arbor businessman Rick Snyder, former honcho with Gateway computer company, for shipping Gateway jobs to China and for insider trading of Gateway stock.

Mr. Snyder countered that Mr. Cox has "enough scandals he's dealing with," seeming to drag into

question some of Mr. Cox's personal and professional activities, adding that "I'm not going to stand here and be lectured by you about ethics, morality and family values."

* * *

MIKE COX also went after big unions, blaming the Michigan Education Association and United Auto Workers for many of Michigan's economic problems, which drew sharp retort from Democrat Virg Bernero, who has been endorsed by both MEA and UAW, and defended the middle class and working families, his favorite topic.

In alphabetical order, participants were Lansing Mayor Bernero, Oakland Sheriff Mike Bouchard, Mr. Cox, House Speaker Andy Dillon, State Sen. Tom George of Kalamazoo, US Rep. Peter Hoekstra of Holland, and Mr. Snyder.

The two Democrats are Mr. Bernero and Mr. Dillon; the others are Republicans.

This identity information is added here because according to recent polling of probable primary

voters, 48 percent of Democrats and 17 percent of Republicans are either undecided or don't know who the candidates are ... and that's with the primary only eight weeks away.

* * *

EDITOR VERDICTS -- The two Detroit daily newspapers covered broad aspects of the Mackinac conference, and came to similar conclusions of the candidate debate.

An editorial in *The Detroit Free Press* bore the headline: "First all-candidate debate disappoints."

The editorial said the debate was "by far the most pugilistic to date, which made for good entertainment but not nearly enough substance. One-liners, accusations and innuendo won't solve Michigan's problems..."

"Two months remain before the primary, and voters will need much more textured answers from all the candidates on Michigan's problems. (The debate) on Mackinac was an inauspicious start."

A column in *The Detroit News* by editorial page Editor Nolan

Finley was headlined: "Mediocrity leads in gov race."

Wrote Editor Finley: "If you care about Michigan and understand that only gigantic leadership will save our state, you could not have walked away from the debate without a sick feeling in your stomach. Michigan needs a savior. There wasn't one on that stage... and not one lifted himself above the mediocrity of the pack... This race belongs to whoever is willing to step boldly to the front and lead."

* * *

POLL DATA -- On the eve of the Mackinac conference, the poll of probable voters cited above showed Pete Hoekstra and Andy Dillon leading their respective races.

The Free Press/WXYZ poll of 600 probable voters gave Mr. Hoekstra 30 percent of the Republican vote and three others bunched together: Mr. Cox 18 percent, Mr. Snyder 17 and Mr. Bouchard 16 percent, with Sen. George trailing at only 2 percent.

Undecided Republicans were at 17 percent.

Among Democrats, Mr. Dillon had 29 percent and Mr. Bernero 23 percent, with the undecided at 48 percent.

The Democratic poll finds Mr. Dillon ahead in the Detroit media market 32-20, and Mr. Bernero stronger in mid-Michigan market 48-35, and Grand Rapids area 23-21.

Clearly today's undecided vote, especially among Democrats, could decide both primaries.

Of considerable interest is that in the general election, this poll finds that any of the top four Republicans -- Candidates Hoekstra, Cox, Snyder and Bouchard -- would defeat either of the Democratic candidates.

Again, the undecided voters in the two-party polling range from 17 to 21 percent, and may make the November races much closer than they now appear.

Letters to the Editor

Get behind the Artisan Village and help make it a success

To the editor:

Is it possible that a billboard has been placed beside the expressway somewhere south of Grayling that says "Bring your scam to Grayling"? I have yet to detect the exact frequency of these loony ideas but there seems to be a periodic testing of our community's gullibility for cockamamie multi million dollar make work projects.

Mr. Kenneth Wright's fact filled article exposes the wood products debacle as just one more in a series of good for Grayling scams. We just dodged a bullet

from the theme park scam and here comes another slick huckster with a bag full of wood chips and a bigger than life idea for spending our community's money.

For those few community activists who may have been previously beguiled by the soft rustling sound of other people's money, here is a chance for redemption, you can get behind the Artisan Village idea and help make it a success.

A word of caution, don't try backing the Artisan Village project if you still have the big dollar virus.

The Artisan Village project is an idea that can and I believe will work. It is broad enough in scope to avoid the all the eggs in one basket trap.

It is mostly locally funded at low to moderate costs and possibly best of all, it allows for isolated failures without jeopardizing the entire project.

The dollars generated will benefit our community, not some fast moving salesman living in some other community.

What about South Grayling Road?

To the editor:

I understand that times are difficult and that money for local road projects is scarce. Unfortunately, it's been that for way for a long time now.

Never the less, in recent years, I have seen other terrible roads in Crawford County somehow get the funding necessary to be resurfaced. I am very pleased that these roads have been repaved. But, I am left wondering, what about South Grayling Road?

This road in Beaver Creek Township has to be

the worst one of them all. It is absolutely pathetic.

I have lived in this area almost all of my life. I can remember when it was repaved the last time. It was 1970. I was 40 years old then.

I just had my 80th birthday a few months back. For this road with the volume of traffic that uses it to not have been resurfaced for 40 years now is terrible.

When will something be done to properly address the sad state of this road?

Is a landlord's creative accounting legal?

To the editor:

I am writing to the citizens of Grayling as to whether or not a landlord, acting as a propane gas broker, can legally take my rent money that is paid monthly, apply it to past propane bills and then claim the rent hasn't been paid?

More specifically, the propane on my rental home is in my landlord's name.

I injured myself at work and fell behind on the propane over the winter.

Now, the landlord is doing some creative accounting and sent me a notice indicating that I am behind on rent because she applied my rent monies toward her propane bill.

But then, who pays \$525 a month for propane? If the landlord opts to keep the propane in his/her name and regulate it with creative accounting, then as a gas broker, if the bill is not paid, the landlord should do what any other energy supplier

would do and that would be to discontinue services, when a bill goes unpaid instead of continuing to have the tank auto-fill regardless if it is needed or not.

I even received an eviction threat with this creative accounting notice.

My question then is, is this practice legal? I have bank receipts for my rent memos and propane memos.

Disgusted with the condition of the cemetery

To the editor:

Over Memorial Day weekend I went to the Grayling cemetery to honor the veterans and was disgusted with the way the cemetery looked.

The weeds and the grass were knee-high. The trash trailer and the trash cans were overflowing and was all over the ground. There was busted glass in the road. Some of the veterans did

not have flags. This is no

way to honor veterans on

Memorial Day.

Teams needed for Shelter's Horseshoe Tournament

Eight teams of two will vie for the honor of displaying the traveling golden horseshoe trophy at their place of business for one year in the 6th Annual Horseshoe Tournament to benefit AuSable Valley Animal Shelter, but only if all the team slots are filled.

The tournament will be hosted by Swamp II in Frederic on Saturday, June 26, at 2 p.m.

Entry fee is \$100 per team, with dinner included. Spectators are encouraged to come and cheer on their favorite team. Dinner tickets may be purchased at the event.

There should be plenty of great pitching if Ramada Inn of Grayling returns to defend its title. Local businesses, civic groups, families, etc. are encouraged to enter their team of shoe-pitchers and try to snag the trophy for themselves while helping out a local cause.

The event is organized each year by shelter member Mary Becker, a part-time resident of Frederic

and sales representative for Nationwide Corporate Promotions.

"With the economy in such a knot, it's very important to show our continued support of all the wonderful dogs and cats awaiting adoption at the shelter," said Becker, who also organizes the annual Snowmobile Fun Run benefiting the shelter, a 501c3 nonprofit organization.

"The Annual Horseshoe Tournament is one of my favorite fundraisers because everyone comes out just to have fun for a good cause," said shelter board president Judith Frederick. "It's a relaxing afternoon with lots of laughs and lots of cheers."

For more information or to pre-register for the 6th Annual Horseshoe Tournament, call Mary Becker at (586) 731-6803 or 1-877-669-0782. Entry forms are available at the shelter located at the old Crawford County Fairgrounds or by email request to meruley@i2k.com.

Forest Service has maps for ORV use

The Forest Service reminds ORV riders to stay on trails and areas designated open for ORV use on the Huron-Manistee National Forests.

An ORV must be less than 50 inches wide and must display a state ORV sticker. Motor Vehicle Use Maps (MVUM) are available free at each Forest Service office.

The maps show where you may ride an ORV on National Forest trails and areas. The MVUM shows over 250 miles of ORV trails and the Bull Gap Area where you may ride an ORV.

It is prohibited to ride an ORV cross-country or on national forest roads. Although the state law allows individual counties to open designated county and township roads to ORV riders, these county ordinances do not apply to National Forest System roads and lands.

The Motor Vehicle Use Map (MVUM) also shows designated open roads, trails, or areas available for motor vehicle use by vehicle type, and if appropriate, by time of year. Highway-legal vehicles with a Secretary of State license plate can travel on designated open Forest Service roads identified on

the MVUM. Roads are closed to motor vehicles if not identified on the MVUM. In addition, roads are closed to motorized use if blocked with a gate, dirt mound, brush pile or other type of barrier.

For more information on ORV and other Motorized Vehicle use on the Huron-Manistee National Forests, please visit our website: <http://fs.usda.gov/hmnf> or a Forest Service Office.

The Mio Ranger District for the Huron-Manistee National Forests can be reached at (989) 826-3252.

The Bible Speaks

Gentile Pride Against Israel

We studied God's eternal purpose and plan for the temporary fall of Israel in Romans 11:11,12. Now we study God's warning to the Gentiles not to exercise pride against Israel and the Jews as branches who were temporarily broken off in Romans 11:18,19: "18Boast not against the branches. But if thou boast, thou bearest not the root, but the root thee." We saw in Galatians 3:16: "16Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ." Jesus Christ is our only spiritual seed, root, vine, or tree, in whom we can trust for eternal life and sustenance. As Jesus said in John 15:5,6: "5I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing. 6If a man abide not in me, he is cast forth as a branch, and is withered: and men gather them, and cast them into the fire, and they are burned." To boast against Israel and the Jews is to deny the root or source of salvation we both share.

Third, we study foolish pride by gentiles against Israel and the Jews: "19Thou wilt say then, The branches were broken off, that I might be grafted in." The breaking off, fall, or stumbling of the Jews and Israel was not sure or permanent. As we saw in Romans 11:11,12: "11I say then, Have they stumbled that

father of us all,"

Second, we study fatal pride by gentiles against Israel and the Jews: "...But if thou boast, thou bearest not the root, but the root thee." We saw in Galatians 3:16: "16Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ." Jesus Christ is our only spiritual seed, root, vine, or tree, in whom we can trust for eternal life and sustenance. As Jesus said in John 15:5,6: "5I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing. 6If a man abide not in me, he is cast forth as a branch, and is withered: and men gather them, and cast them into the fire, and they are burned." To boast against Israel and the Jews is to deny the root or source of salvation we both share.

Third, we study foolish pride by gentiles against Israel and the Jews: "19Thou wilt say then, The branches were broken off, that I might be grafted in." The breaking off, fall, or stumbling of the Jews and Israel was not sure or permanent. As we saw in Romans 11:11,12: "11I say then, Have they stumbled that

they should fall? God forbid: but rather through their fall salvation is come unto the Gentiles, for to provoke them to jealousy. 12Now if the fall of them be the riches of the world, and the diminishing of them the riches of the Gentiles; how much more their fulness?"

It is foolish pride for gentiles to think they are superior to Israel and the Jews in light of Romans 9:4,5 which reminds us Israelites were given the adoption, the glory, the covenants, the law, the priesthood, the promises, the fathers, and the Messiah. It is foolish pride to think Jews are more sinful than gentiles. "9What then? are we better than they? No, in no wise: for we have before proved both Jews and Gentiles, that they are all under sin." It is foolish pride to think we are more secure than Israel and the Jews. When gentile churches assume spiritual superiority over Israel they are guilty of the same sin the Pharisees and Sadducees held toward our Lord Jesus Christ, His disciples, His church, and Christianity. Honors

Grayling High School
116 Grayling High School students have earned National Career Readiness Certificates this year. The NCRC Certificate is based on tests called Work Keys, which are widely used throughout business and industry to demonstrate workplace skills. The tests measure a student's ability to apply what they've learned in school to actual job requirements.

Three Work Keys tests are now part of the Michigan Merit Exam, taken by all juniors. Students may earn certificates at bronze, silver or gold levels, depending on their scores. There is an extensive data base that correlates Work Keys scores to the skills needed for thousands of jobs, which makes the NCRC certificate a useful tool for employers looking for qualified workers.

The students listed below have each earned a National

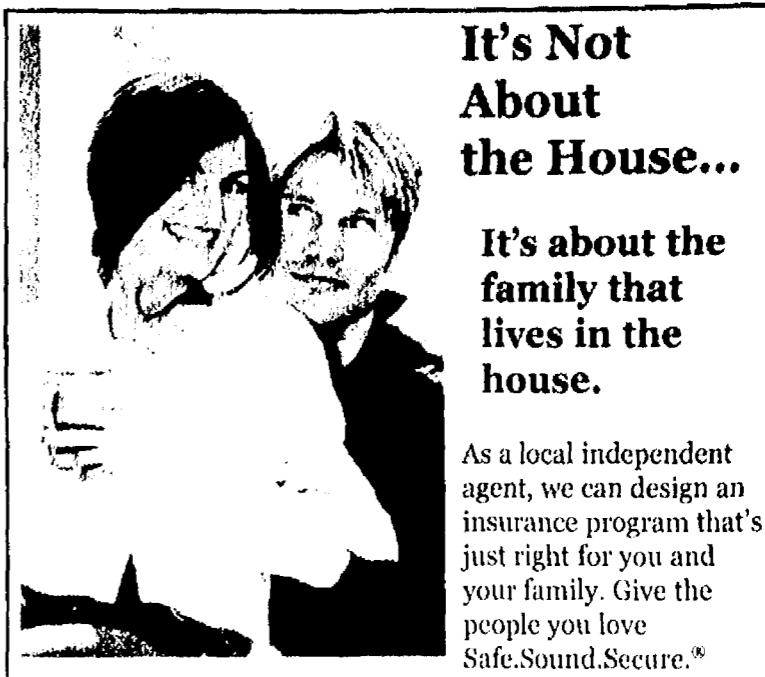

Career Readiness Certificate.
Kyle Ahnert, Selina Anglemyer, Lindsey Argue, Alexandre Barber, Alyssa Barnett, Natosha Beaman, Kayla Bendig, Joni Bindschatel, Devon Bobenmoyer, Mary Bolick, Laura Brackenbury, Michelle Brown, Brittany Carney, Zachary Case, Chelsea Chamblee, Jessica Chaney, Molli Coe, Braden Coe, Joseph Contreras, Brandi Creel, Sandra Curtis, Patricia Denno, Jennifer Denton, Taylor Desenfants, Dustin Dikes, Ian Donaldson, Taylor Doremire, Haley Easton, Melissa Eckstorm, Ashley Feldhauser, Savannah Foguth, Carl Gaff, Shane Ginther, Heather Glance, Heather Greene, Colin Hamlin, Tyler Hanson, Matthew Harland, Robert Harrison, Mackenzie Harwood, Makenna Harwood, Suzanne Hause,

Salon opened as building block for family business

by Dan Sanderson
Staff Writer

A new hair and tanning salon, planned as a family business, recently opened in downtown Grayling and is adding new services.

Camara's Hair and Tanning, located at 208 East Michigan Ave., opened in the former Grayling Pharmacy Building.

The business first started with tanning services, featuring four 12-minute standup high-pressure bronze tanning booths.

Catherine Peterson, the owner of Camara's Hair and Tanning, said she studied the Grayling market for tanning, and discovered that people want the quick service. The salon has 200 clients.

"They want to be able to get in, do their time, not wait, get out and be on with their day," Peterson said.

Peterson had been considering obtaining her hair stylist license, which requires one year of schooling and working one year in a salon. Research, however, pushed her to open up her own salon because she learned that most graduates couldn't find jobs once they graduated.

"There are only so many salons, but nobody is going to give up their position as a stylist if they're happy where they're at," Peterson said.

The salon is named after Peterson's daughter, Camara, 4, who wants to follow in her footsteps and pretends she is a hair stylist at a vanity in their home.

Peterson said she discusses her personal and business

initiatives with her children, and Camara urged her to open the salon.

"That's what actually made me think about it and I went with it and I'm glad I did," she said.

Peterson hopes that sons Daxtyn, 2, Cameron, 7, would also be part of the business in the future.

"I wanted something the children can look forward to build for themselves," she said.

Last month, Camara's Hair and Tanning, began offering haircuts and stylist services. Peterson now has three stylists and two receptionists.

"That's five more jobs and one less empty building downtown," Peterson said.

While it is ironic that Peterson choose to locate next to the Hair Station, she said she eyed seven buildings for the salon. The other options were either too cost prohibitive to lease and renovate. Peterson added that Jeff Emmons, the owner of the Grayling Pharmacy who now works for Walgreens, allowed her to make the necessary renovations for the salon to open its doors.

"It doesn't hurt to have several options of where you want to go," Peterson said.

Next, the salon plans on adding manicure and pedicure services.

"It's a work in progress," Peterson said. "We want to do it step-by-step."

The business offers a small selection of flip-flops and handbags, and plans to carry an array of hair and tanning products and beach wear soon. The salon is also

going to add a lay down tanning bed.

"With little space and a lot to do, we have to plan it out correctly and make sure it all fits," Peterson said.

Peterson said clients drop in, chat and have coffee even if they don't have an appointment to get their hair done or go into the tanning booths.

"We want people to be able to come in here and feel comfortable," she said.

Ultimately, Peterson said she plans to achieve her lifelong goal of earning her hair stylist license so she can work at the salon.

"I want to be able to work in my shop, along with the girls that I have," Peterson said.

Relay team earns all-state honors with 5th place finish

Eight athletes from Grayling High School's track and field team competed at the Division 3 MHSAA Lower Peninsula State Finals at Comstock Park High School on Saturday, and four of them – Grayling's 400m relay team (girls) – placed high enough to earn all-state recognition.

The 400m relay squad – Brianna Kirk, Shanley Dorn, Sam Hansen, and Stanna Dorn – took fifth on Saturday with a time of 51.73. The first place team from Kent City had a time of 50.58.

"From my records and the all-state wall at the school, it has been since 1984 (that) a Grayling female track athlete received all-state. Going into the meet they knew they had a chance for top eight. Unfortunately, because of their regional time, we were seeded 18th and ended up in the third heat. I told the girls we can only determine the outcome in our heat and then we will have to sit and wait for the results from the other two heats. They had no one to push them in the third heat and they knew they were going to have to dominate in

order to get a chance. They showed everyone today they are for real and that they can hang with the best teams in the state," Coach Tim Gariglio said. "They worked hard this season and it paid off."

Grayling's boys 400m relay team and one 200m dash runner also qualified for the state finals but did not finish in the top eight on Saturday.

On Tuesday, the Vikings competed in the *Gaylord Herald Times* Meet of Champions.

Placements for GHS: (boys) Scott Parkinson, 2nd, 110m hurdles; Zavier Lindsey, 5th, 100m dash; Nick Dorn, 7th, 100m dash; Cody Myers, 2nd, 200m dash; Carey Brodak, 8th, 400m dash; Colin Hamlin, 2nd, mile run; N. Dorn, Trevor Dewitt, Lindsey, Myers, 2nd, 400m relay, 2nd, 800m relay.

"I am very proud of the athletes that stuck around this year and toughed it out. We had a very good season and I could not ask for a better bunch of athletes," Coach Dan Helms said. "I am defi-

Grayling's 400m relay squad – Brianna Kirk, Stanna Dorn, Sam Hansen, and Shanley Dorn – took fifth at the state finals on Saturday at Comstock Park High School.

nitely looking forward to next year."

"We have some seniors that are not going to be joining us next year and will be sorely missed; they were an asset and true leaders of the team. Colin Hamlin, who did a phenomenal job in the 800, mile, two-mile relay, and mile relay, also medaling in the high jump when we were trying to get some points. Shane Rollins, who ran his first year this year, doing an awesome job at the two-mile

relay, 400, and mile relay. Shane also did a great job at shot put when asked. Those two individuals are just all-around great athletes and could run any event or field event and excel. James Schweizer also competed his first year on the track team and helped out tremendously at shot put and discuss. Brady Coe was not able to compete this year due to an injury but nonetheless was an asset to this team and will be sorely missed."

Golf team's season ends at regionals

The GHS boys golf team ended its season with regionals on Thursday, failing to finish high enough to qualify for the state finals. One Viking – senior Taylor DesEnfants – did qualify for the state finals as an individual. DesEnfants took second at the state finals last year.

The regional meet was held at Ferris State's Katke Golf Club.

"The team ended its season at regionals, which is a good accomplishment. Even though we didn't play our best, the top three teams were unbelievably good and it would have been a challenge on our best day," Coach Dan DesEnfants said.

Individual scores for Grayling:

DesEnfants, 80; Josh Johnson, 90; Ethan Lewis, 100; Tyler Brigham, 100; Derek Lorene, 115.

"The bright spots were our senior leaders, Taylor and Josh. They have led the way all season and played well at regionals. Taylor's season

will continue at the state finals again this year. He qualified as an individual for the third and final spot in the field," Coach DesEnfants said.

The state finals will be held on Friday and Saturday at Grand Valley's The Meadows.

Wednesday Ladies League

The weather we have been waiting for has finally arrived. A little better than expected, but you won't hear of any complaining at all. On Wednesday, May 26, began our first day of league play and some great rounds of golf were had.

The regional meet was

hand painted by Kay Ellen King and her granddaughters Madison and Sabrina.

Our golf committee awarded a prize today for the longest putt on hole #15 and that was won by Char Clark.

We then had a nice lunch of either a BLT wrap with a side of pasta salad or broccoli salad or a nice steak salad.

On such a beautiful day most of us like to go out for another round, but today, got a little humid, so home we went to cool down a bit.

Wednesday, June 2, was a rain day and will be made up in August.

Until next week, that's all "fore" now.

* * *

Tuesday Morning Ladies League

Mickey Perez and Deb Bonkoski started out taking first place with Carlene McMurtre and Jo Ann Michal holding second place.

Deanne Weiss had low puts of 29 and had the only chip-in. Mickey Perez, Linda Fouts, and Katy McNamara had birdies on holes #11, #10, and #9, respectively.

During first week of play Linda Fouts had a hole in one on hole #13.

Defense the difference in 9-5 district baseball loss

Vikings fall to Kalkaska at Elk Rapids on Tuesday

Grayling High School's 2010 varsity baseball team – a group that set a new school record for wins with 22 – ended its season with a 9-5 loss vs. a league rival – the Kalkaska Blazers, champions of the Lake Michigan Conference this year – in a pre-district game played at Elk Rapids on Tuesday night.

Kalkaska took a 1-0 lead in the top of the first inning with an RBI-double.

Grayling scored two runs in the bottom of the second inning to lead 2-1. The Vikings scored on a successful suicide squeeze bunt by Jake Helsel and an RBI-single by Zane Tobin.

Kalkaska led 5-2 going into the bottom of the fifth inning. Grayling scored a run on a double by Jensen Aubry to pull within two, 5-3.

The Blazers scored four runs in the top of the sixth inning to lead 9-3.

In the bottom of the seventh inning, Zach Wolcott and Taylor DesEnfants scored on a double by Aubry. The rally ended there, and Kalkaska advanced to the district semifinals with a 9-5 win.

Aubry finished the day at 4 for 4 with three doubles and three RBIs. He finished

over the .500 mark for the season. Tyler Hanson had two hits. Helsel and Tobin each had one hit and one RBI.

"In all, the Vikings had 11 hits for the game. We played extremely well offensively, collecting that many hits off one of the best pitchers in northern Michigan. We committed five errors and that was the difference, which has been the case most of the season," Coach John Schneider said.

"Zach Wolcott pitched outstanding in the loss, going 5 and 1/3 innings, striking out 11 and (giving up) only five hits and two earned runs. Jensen Aubry had an outstanding day at the plate, going 4 for 4 with three doubles and three RBI." Coach Schneider said.

"Zach Wolcott pitched very well this season, striking out 90 batters. We changed his pitching motion and he took off this season," Coach Schneider said.

"It was a tough loss for the kids as well as me. They played hard and displayed a lot of character in the game," Coach Schneider said. "It was extremely tough for me because it was the last game I will coach for the Vikings. It is time for

Centerfielder Tyler Hanson throws the ball into the infield on Tuesday night vs. Kalkaska.

me to move on. I accomplished a lot of things I set out to do. Going 60-41 the last three seasons has been a good run after starting out slow the first two. I have a lot of good memories, like the 2004 team finishing with a .399 team batting average, which is in the MHSAA record book. Setting the school record in wins in 2008 and winning the district title that year. This year, breaking that record."

"I owe a lot to (assistant coaches) Rob Aubry and Dan DesEnfants for all their efforts in achieving what we all set out to do: build a program that the community would be proud of. Most of all I owe a lot to the players, whose dedication and effort to do their best made it all worthwhile," Coach Schneider said.

The Vikings finished the year with an overall record of 22-15-1.

Vikings unable to rebound from bad start in district loss

Softball team falls to Kalkaska 11-1 at Elk Rapids

The GHS varsity softball squad ended its 2010 season with an 11-1 pre-district loss to Kalkaska – a team that tied for first in the Lake Michigan Conference and went on to win the district tournament – on Tuesday night at Elk Rapids.

"We had a rough start to the game, giving up six runs on three hits and three errors. I thought the girls did a nice job of settling down and playing more consistently as the game progressed; however, we didn't hit the ball well enough to come back from the poor start," Coach Keri Brock said.

Leading hitters for GHS were: Joni Bindschat, 1 for 3, double, 1 RBI; Cayla Johnson, 1 for 2; Makenna Harwood, 1 for 2, double; Kelsey Neuberger, walk, 1 run.

"Our seniors showed good leadership, accounting for each of our three hits and run scored. They have been a very hard-working group that I would consider to be one of the best classes to come through GHS since I've been here. Their enthusiasm for the game, work ethic, and desire to win has

really set them apart," Coach Brock said.

"The softball program graduates five seniors that have made a significant impact on our program. They have done a nice job setting an example for the underclassmen to follow. Although Molly Rinckey only played with us for one season, she was able to find her place and make some clutch plays. Makenna Harwood spent the last two varsity seasons knocking one extra-base hit after another while being a stellar teammate in the process.

Kelsey Neuberger, Cayla Johnson, and Joni Bindschat were four-year varsity starters and captains of the 2010 team. They have been selfless and devoted while winning the most games ever in a four-year span at GHS," Coach Brock said.

"As a coach you are frequently measured by the numbers in the win/loss column, but you soon realize that high school sports are much more than that. It's about developing self-motivation, a desire to work hard for what you want and build the confidence to achieve it.

Caitlin Prosser catches a pitch from Andrea Malm during Tuesday's district game.

This team may have won the most games in school history, but their biggest accomplishments are yet to come. They have been a great group of girls to coach. I am very proud to have been a part of this program for the last six seasons," Coach Brock said.

Cheboygan too much for GHS in district title game

Vikings defeat Kalkaska, Tawas to advance to finals

After advancing to the District 48-3 championship game with victories over Kalkaska and Tawas, the GHS varsity girls soccer squad ended its 2010 season with a loss to the Cheboygan Chiefs in the district finals on Saturday.

On Tuesday, the Vikings won 5-1 in a round one district game at Kalkaska.

"The girls came out and controlled the game right from the get go, putting consistent pressure on Kalkaska's defense," Coach Craig Cobb said. "Off of a crossed ball Becca Money was able to punch the ball into the goal. Hannah Haven, burning past two Kalkaska players to the outside, curled the ball around the keeper and into the goal. Kalkaska responded off a corner kick and half volleyed it past our keeper.

Still in the first half and with Kalkaska making some aggressive plays on the ball, we again were able to push the ball up to our front line and Hannah scored again. At (halftime) we were up 3-1."

"The second half was all Grayling. We had good movement off of the ball and connected on our over-laps and give-and-goes. Hannah Haven scored one more goal in the second half and Ashley Moery quickly trapped a poorly kicked goal kick from Kalkaska and she

drilled the ball from about 30 yards out and scored," Coach Cobb said.

On Thursday, after a few venue changes were explored, the Vikings hosted Tawas in a District 48-3 semifinal game. At one point the game was slated to be held at Tawas because Grayling's field was going to be used for the graduation ceremony this weekend and set-up work was planned; however, in anticipation of poor weather, the school opted for an indoor commencement event, freeing up the field for the game.

Grayling won 2-0.

"Tawas was good at controlling the ball and they attempted working the ball up the sidelines and positioning their scorers in front of the goal, preparing for the cross. Our defense shut down those opportunities and aggressively stopped any attempt by Tawas to get that centering cross on goal. That being said, Tawas in the first half controlled the ball for probably 60 percent of the half. At some points we looked like we were on our heels but then quickly recovered," Coach Cobb said. "We went into the half tied 0-0."

"The Grayling girls played even harder in the second half and started to shift the momentum to our side. We started to put together several attempts in front of Tawas's goal. A lead pass was kicked out in front of Hannah Haven and a Tawas defender stepped up to control the ball and clear it. As Tawas attempted this Hannah swept through, stealing the ball, juked around a retreating Tawas defender, and pounded the ball past the keeper. About 10 minutes later Tawas made an illegal tackle 30 yards out from the goal. It was a direct kick. Hannah Haven took the kick and once again beat the keeper

with her shot to the corner," Coach Cobb said.

"This was two evenly matched teams. Our girls just wanted it more and were unwilling to back down despite Tawas's solid play. We pulled it together and I'm real proud of the way the girls played. I saw us play a full game – no let-downs, no blunders. Just hard-nosed solid soccer," Coach Cobb said. "It was fun to see the girls come together like they did."

Grayling goalkeeper Ciara Summers had eight saves in the shutout.

On Saturday, in the district championship game – a contest played at Elk Rapids, Grayling held off Cheboygan for most of the first half, but the Chiefs scored three goals in a span of six minutes and went on to win 6-0.

The two teams were tied at 0-0 until 3:31 left in the first half. Cheboygan gathered the ball after a shot hit the post, shot, and scored to lead 1-0. At the 1:15 mark, the Chiefs scored again, knocking in a deflection off

JV team splits vs. Gaylord in finale

Both games came down to one run; Grayling won one and Gaylord won one.

In the team's 2010 season finale on May 27, the Grayling High School junior varsity baseball squad posted a split vs. the visiting Gaylord Blue Devils.

Grayling won 4-3 in game one of the double-header. Gaylord took game two 12-11.

"Cam Wilson and Jeff Enos each hit a home run. Enos picked up the win in the first game. We were aggressive on the base paths and really started to hit the ball on the end part of the

"The first game was not pretty, but in the second game we battled back and almost took one, losing 6-7," Coach Krabill said. "Both Travis and Zach Schreiber threw well for us."

- 1 can (8 oz.) sliced water chestnuts, drained
- 2 cups hot cooked long-grain brown rice
- 1/4 cup Dry Roasted Peanuts

Directions:

TOSS meat with cornstarch in medium bowl. Add marmalade and ginger; stir until well blended. HEAT oil in large nonstick skillet on medium-high heat. Add meat mixture; stir-fry 4 to 5 min. or until meat is done. Add broccoli, water chestnuts and soy sauce; mix well. Cover; simmer on medium-low heat 5 min. or until thickened, stirring frequently. SERVE over rice; top with nuts.

Prep Time: 10 min
Total Time: 21 min
Makes: 4 servings
